

Dear reader,

First of all, let me apologise for sending you 2 emails in fairly quick succession. We wouldn't normally do this, but we have an urgent need that we'd like to ask you to help us with.

As you know, we have just moved The Bridge, our supported accommodation for up to 6 men, to new premises. This has gone fairly well and everyone is now settling in.

However, due to changes in personal circumstances the current manager of The Bridge will shortly be moving on. We are therefore seeking a new person (or 2 people job sharing) to provide leadership and management for The Bridge.

This is a challenging but rewarding role, supporting our residents on their journey from referral to exit, providing opportunities to address barriers to a stable lifestyle, enabling them to discover skills, attitudes and values that will give substance to their hope for a better future.

There are full details and an application form here: <http://kingdomwaytrust.org/get-involved/vacancies/>

Would you please publicise this for us, pass it on to anyone you think may be interested, of who may know someone who may be interested? If you can get your church to publicise this for us that would be great, or through any other networks you are part of. We are particularly interested in people with a background in supported accommodation, drug or alcohol rehab, or similar.

Thank you so much!

Stephen and David
