

Dear reader,

Our apologies that for some of you (Winter night Shelter volunteers) this is the second email from us this week. However, we want to tell you about a concert in Eastbourne at the Underground Theatre (under the main library) on the 3rd February which is raising money for Kingdom Way Trust and the Seaview Project in St. Leonards, both organisations actively working with homeless people to bring hope. Please book your ticket soon. See poster below for more details and how to book. We hope to see many of you there!
